WELCOME TO IT-XPLORATION

●●● Your Passport to Adventure ●●●

This booklet has been designed to optimize your experience before the event. Inside, you will find:

- Practical tips for your flights and hotel stay, to travel with ease and peace of mind.
- Agenda highlights at a glance

We wish you a smooth and rewarding journey, and a productive and inspiring event.

For compliance reasons, flights and overnight stays are the responsibility of participants. This booklet includes recommended flight options selected for your convenience and efficiency.

We have also established a framework agreement with the partner hotel to ensure optimal conditions. Overnight stays will be paid directly on-site.

PREVIEW

Discover the first tech companies on the agenda

Meeting NVIDIA, Google Cloud, Microsoft, HPE, NetApp, and Fortinet provides an opportunity to explore the full ecosystem of artificial intelligence, where innovation, infrastructure, and cybersecurity intersect. These discussions will offer a unique chance to identify strategic synergies, compare approaches, and understand how agentic AI can transform your projects while ensuring robustness and security. Each meeting will be designed to inspire and inform your decisions in a world where technology is evolving at rapid pace.
