

proximus NXT

PROXIMUS NXT BUY-BACK PROGRAM

Give a second life to your mobile phones and tablets with Proximus NXT

Proximus NXT offers to buy back your unused mobile phones or tablets (minimum 5 devices per request). To participate, simply complete this form with all the requested information and send it by email to telecomcc@proximus.lu or via the web form available on the buy-back program page.

Disclaimer Declaration

I, the undersigned _____,

legal representative of the company [company name],

with its registered office located at [address],

registered with the Luxembourg Trade and Companies Register (RCS) under number [RCS number],

by handing over the electronic devices to Proximus Luxembourg S.A., declare regarding the devices listed on page 2 that:

- ✓ I have deleted all data from the devices (files as well as accounts and other identifiers linked to the devices).
- ✓ I release Proximus Luxembourg from any liability and waive any possible claims related to the use of data if such data has not been deleted.
- ✓ I acknowledge that Proximus Luxembourg acts as an intermediary between my company and the recycling center in accordance with the applicable legislation.

Printed in two copies, the client declares having received one copy.
